### **ROGER NIELLO'S ICE CREAM SOCIAL**

This month, we encourage every member of Republicans of River City to attend Roger Niello's fourth annual Ice Cream Social and open house.

Assembly member Niello is a good friend of Republicans of River City.

He has come to our members meetings many times and given us valuable insights into the legislation making its way through the legislature.

To show our support, we encourage all our members to go and learn the inside "scoop" on the end of the 2008-09 legislative session at his Ice Cream Social and Open House. This event takes place on Tuesday, September 15th, from 5:30 pm - 7:30 pm at 4811 Chippendale Drive, Suite 501, Sacramento, 95841.

### **GOVERNMENT HEALTH PLAN, PART TROIS**

by Robert Evans

The nation has heard from President Obama on the issue of health care many times over the past eight months.

Unfortunately, what we hear is old tired rhetoric with no substance. We don't need lame examples of the bad old health care insurance companies that deny treatment for various ailments. Enough of this throwing grandma in the snow stuff.

What I need to hear is exactly what the plan is.

And I think all the members of congress and their staff need to be required to conform to whatever plan is proposed.

And I also think all unions should be required to conform their health care plans to whatever is proposed.

Fair is fair.

But lets see the details of the plan. Otherwise, no sale, Mr. President.

**ON THIS DATE IN HISTORY**

September 2, 1910 - Republican Mayor George Alexander, Mayor of Los Angeles, appoints Alice Wells the first woman police officer in America.

September 3, 1868 - Twenty-five African-Americans in the Georgia legislature, all Republicans, are expelled by the Democrat majority.

September 12, 1868 - Civil rights activist Tunis Campbell and all other African-Americans in the Georgia Senate, every one a Republican, are expelled by the Democrat majority.

September 24, 1957 - Under criticism from Democrats John Kennedy and Lyndon Johnson, President Dwight Eisenhower deploys U. S. troops to Little Rock to force Democrat Governor Orval Faubus to integrate public schools.
